## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires: 4.

Number of acres burned: 4½.

Number of permits issued: 98.

## REPORT OF THE LIBRARIAN

**FOR 1959**

To the Board of Trustees and Taxpayers of Lisbon  
I hereby submit my report.

Circulation of books and magazines, as follows:

Fiction, adult	3,535
Non-fiction	2,758
Magazines	1,132
Junior books	4,354
	<hr/>
Total circulation	11,779

This shows an increase of 1,071 over last year.

Mr. Riley, with the bookmobile, has made four trips to our library. We are able to get books in all categories, which are not on our shelves.

Two story hours, which are always greatly enjoyed by the children, have been given.

In the early summer the library had an Open House which was well attended.

Book Week was observed in April, with many new children's books on display.

We have sent to the State Library for many requested books that we were unable to supply from our shelves.

In September the Library had an exhibit in a local store window. Books on painting, drawing and stenciling from the State Library, Littleton Public Library and our own library were accompanied by art work of local craftsmen.

Mrs. Nell Buffington left \$1,000 to the Library in trust, interest to be used.
